[\(Please attach additional paper if you need more space to answer the following questions\)](#)

1. Please specify why you are running for the Board and what skills you bring to this position.

**2. Describe previous experience on Committees, Boards of Directors, Organizations and related community involvement.**

**3. Describe your view(s) of CC&R enforcement and other Community rules.**

4. What do you see as the most important function of the Broken Top Community Association?

5. Do you have particular plans, programs or changes you would like to pursue as a Board member?

6. If you are elected, what would be your top three priorities?

7. The BTCA Board assumed greater responsibilities due to the acquisition of the Broken Top Club in 2019. The Board now represents three different stakeholder groups: Broken Top homeowners who are not dues-paying Club members; Broken Top Homeowners who are dues-paying Club members; and non-resident dues paying Club members. How would you respond to the differing interests and priorities of the three groups? Are there overriding principles/priorities that should transcend the interest of the three groups?

8. Any additional comments?
